CAMPAIGN CHAIRMAN FOR WHALING MUSEUM

Charles F. DeMailly will be General Campaign Chairman of the New Bedford Whaling Museum Development Campaign to raise $600,000, it was announced recently by Dr. Curtis C. Tripp, president of the Old Dartmouth Historical Society.

"We're fortunate to have a man heading this campaign who combines the drive of a successful business executive with a deep concern for the future of the New Bedford area," Dr. Tripp said.

DeMailly, who lives in South Dartmouth, is president and general manager of the Plymouth Division, Emhart Corporation. He was Valedictorian of the Class of 1935 at New Bedford High School, attended the New England Conservatory of Music, and graduated from the Massachusetts Institute of Technology.

In accepting the post, DeMailly emphasized the importance of the campaign for the area's future:

"As population grows and one sprawling city extends from Boston to Washington, areas like ours will tend to lose their identity.

"Our heritage as the world's greatest whaling port is a major factor in maintain-

The Museum's development plans, which were based upon the gift of a new Museum Theater, provide for construction of a new two level structure which will connect five buildings into a unified whole. The Hirst Building on Water Street will be restored and used to display portions of the quarter mile long Russell-Purrington Panorama which is now in storage. A new Curator of Education will develop educational programs for the museum and for schools.

Academy Examinations

Congressman Hastings Keith (R.-Mass.) announced that the U. S. Civil Service Examination for all service academy applicants will be held on Tuesday, July 6th. Exams will be given in New Bedford, Hyannis, Brockton and Boston.

The tests are given as a guide in helping the Congressman select those most qualified for entrance into the military academies.

In 1972 Congressman Keith will have one vacancy each at the United States Air Force Academy, the United States Military Academy, the United States Naval Academy and ten nominations to the United States Merchant Marine Academy. (Nominees to the Merchant Marine Academy will compete with other young men throughout Massachusetts for the State's quota of eight appointments.)

Congressman Keith requested that interested young men apply in writing directly to his office in Room 243 of the Post Office Building in New Bedford prior to June 2nd.

Candidates must be legal residents of the 12th Congressional District, which includes the counties of Barnstable, Dukes and Nantucket; Plymouth County, with the exception

Whaling City Festival

The second annual Whaling City Festival will be held in New Bedford from June 24 through June 27. The Festival, comprised of a series of community events, reflects on the past and present accomplishments of the people of New Bedford and is planned to appeal to tourists and local residents of all ages.

General chairman of the Festival, City Councillor David R. Nelson, says this year's Festival will be bigger and more colorful than last year's Festival. A new addition to the Festival is a talent night to be held at Keith Junior High School. Top talent from the Greater New Bedford area will compete for awards. Tickets will be available in advance and at the door.

The popular book fair will be held again at the New Bedford Free Public Library (outdoors, weather permitting). Encyclopedias, children's books and books on many sub-

jects for all age groups will be sold at nominal prices at the fair. Entertainment will be provided during the book fair.

One of the two sporting events of the Festival is the Second Annual WCF Track Meet to be held at Sargent Field. Track stars from schools in the Greater New Bedford area will vie for trophies in a number of track events. Admission is free.

A gigantic flea market will be held on Marine Park for three days of the Festival. Antiques, handcrafts, new and used items will be displayed for sale. Last year's Flea Market attracted participants from as far away as Pennsylvania. There will be free parking and free admission at the Flea Market.

Another new addition to the Festival is a Bike Hike for bicycle enthusiasts of all ages. Starting at Buttonwood Park, the participants will follow the Bike Trail and return to Buttonwood Park where free refreshments will be served. Prizes will be awarded to the best decorated bikes.

A major highlight of the Festival will be the Second Annual WCF parade. This colorful parade includes fife & drum corps, drum & bugle corps, color guards, floats, antique autos, beauty queens, TV personalities, state and local office holders, etc. The parade will travel from Buttonwood Park to the Clasky Common where the reviewing stand will be located. This parade has every indication of being the largest parade in New Bedford in the last 25 years.

The Festival closes with the Second Annual Ecumenical Blessing of the New Bedford Fishing Fleet. The blessing will take place from State Pier with vantage points from Marine Park and Pier 3. Scallopers, draggers, pleasure craft, and Coast Guard vessels gaily-decorated in a variety of themes will participate. A band will serenade on State Pier during the blessing and trophies will be awarded.

The full schedule will appear at a later date.

POLICE & FIREMEN TO BE HONORED

Sunday, June 6th, will be observed by the Town of Wareham as "Appreciation Day for Policemen and Firemen". The idea, fostered by the Wareham Area Chamber of Commerce, is the first such observance in the Commonwealth of Massachusetts and in New England.

The Firemen and Policemen will be pitted in competition with each other in a Golf Tournament at the Wareham Country Club, and in a Fishing Tournament aboard Captain John Lopes' charter boat. The Wankinquoch Rod and Gun Club will provide a Chicken bake for the men in blue.

C. Saether Selected

ORRHS STUDENT TO ENTER WEBB INSTITUTE

Christian D. Saether, son of Mr. and Mrs. Tore V. Saether of 15 North Street, Mattapoisett, has been chosen one of the twenty-four students entering Webb Institute of Naval Architecture next Fall on a four-year tuition free scholarship, the president of the college, Rear Admiral William A. Brockett, USN (Ret.), announced last week in Glen Cove, New York. The scholarships are valued at $20,000.00 each and are made available through current gifts and through income from the initial endowment of the late William H. Webb, a nineteenth century shipbuilder who founded the school in 1889.

In selecting the scholarship recipients, Admiral Brockett held personal interviews with the 38 outstanding candidates from a group of over 100 qualified applicants. He covered more than 7,000 miles to conduct

Webb Institute of Naval Architecture, located on Long Island Sound 30 miles from New York City, is a fully accredited college which concentrates its entire curriculum on ship engineering and construction. Only two other schools in North America, the University of Michigan and Massachusetts Institute of Technology, offer the Bachelor of Science degree in Naval Architecture and Marine Engineering.

The twenty-four students selected for the Class of 1975 are among the top graduates of their secondary schools, with outstanding personal and academic records. Thirteen states will be represented in the new class when the school opens for Freshmen orientation on August 26th.

LETTER TO DR. KUNCES

From time to time, the work performed by students and a teacher is recognized by an interested citizen. The following letter addressed to Dr. Joseph C. Kunces, superintendent of schools, from Chief of Police Shore in Marion, speaks for itself.

Dear Sir:

I am delighted to take the opportunity to express the gratitude of the Marion Police Department and the Town of Marion for a job well done. It was a pleasure to be associated with the fine crew of young workers from your school, who so ably assisted in the construction of the addition to our Police Station.

It was a remarkable experience to observe the diligence of these boys and also the superior quality of their work. A conservative estimate of the time saved to our own weekend carpenters might be six to eight months. Probably the least recognized value was to the boys themselves as they engaged in one of the very worthwhile endeavors of education today, the practical activity of contributing to the community. Through this we may anticipate they will be better businessmen and professionals in the future.

One other aspect which had a special meaning to me personally was the person-to-person contact with the boys and to have a

chance to establish some good public relations with the younger members of our several communities. I would hope that this contact would be the start of bridging that elusive generation gap.

In closing I would like to briefly comment on Mr. "Lou" Corey. I have heard many flattering comments regarding this man and his teaching abilities, but everything I have heard was understated. Thank you once again for all your efforts.

TOWN OF MATTAPOISETT, MASSACHUSETTS
PUBLIC NOTICE
BOARD OF HEALTH REGULATION AS PREPARED BY THE TOWN COUNCIL

No building permit, for a structure to be erected within 200 feet of the Mattapoisett River, shall be issued by the Town until the application therefor shall have been approved by the Board of Health for the purpose of determining whether adequate drainage facilities will be provided by the applicant to prevent violations of Massachusetts General Laws Chapter 21, Section 42. In reviewing such applications, the Board of Health may require the applicant to furnish topographical surveys of the building site and engineering plans for the control of surface water drainage.

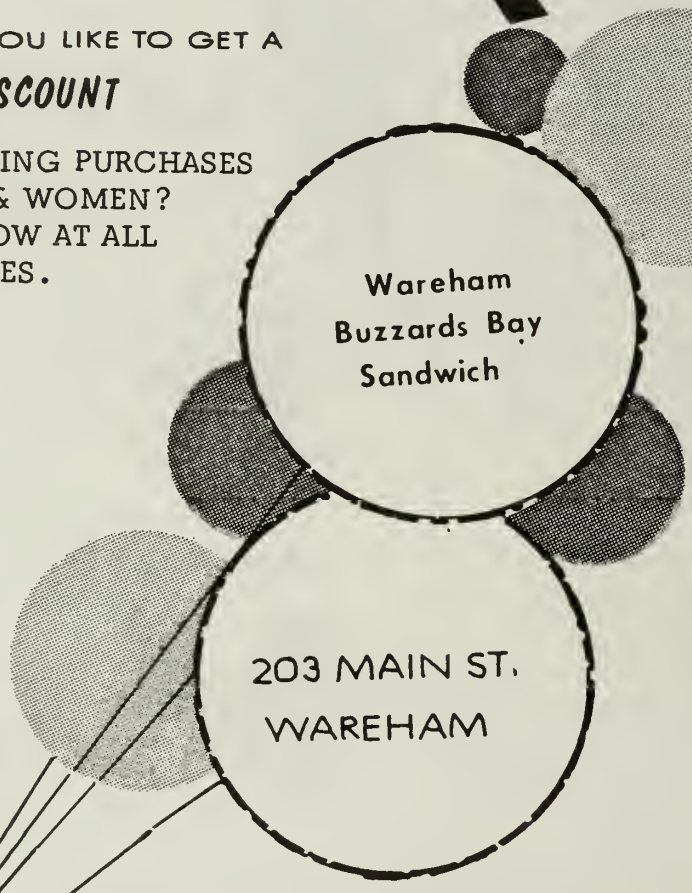
HOW WOULD YOU LIKE TO GET A

100% DISCOUNT

ON YOUR CLOTHING PURCHASES FOR BOTH MEN & WOMEN? IT'S POSSIBLE NOW AT ALL NEWMAN'S STORES.

WEDNESDAY, THURSDAY FRIDAY & SATURDAY



HERE'S HOW IT WORKS

Select the merchandise you want from our fresh, new, exciting stock of apparel and sportswear.

Total it up. Then, before you pay, pick one of the balloons floating on the ceiling (there will be hundreds of them).

On the top of each balloon, you will find the % of discount that you will receive. Deduct this percentage from your total bill and that's all you pay.

Discounts will run from 10% to 100%. Perhaps you will be the lucky chooser of a 50%, 75% or 100% discount!
